

MR2 SW20 REV 1 (1989-1991)

PRICING INFORMATION

The prices shown on our website are per bush.

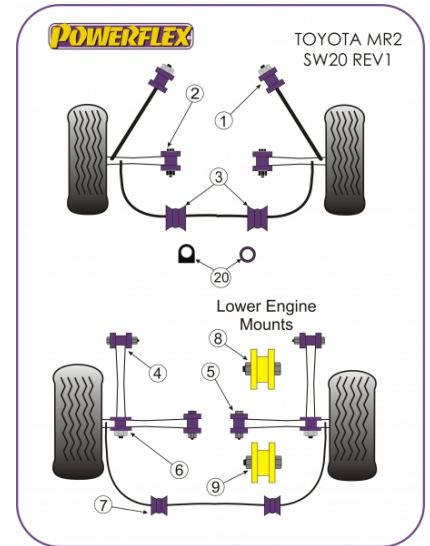

To get the total pack price you will need to multiple this price by the number of bushes per vehicle.

Bush Price x Qty Per Car = Pack Price

Notes

- Check tie bar to see if it has a nut on the end. PFF76-301 is suitable for this type only. If any other style is fitted then go to our catalogue page for the MR2 SW20 REV2.
- The rear lower engine mount front bush comes in 3 sizes. These are the internal diameters of the engine mounting bracket. Please check original for correct size.

In addition to the Road Series parts listed please check the Black Series website for other bushes suitable for this car that may be more suited to Track/Race use.
